Item No. 63

Heard the learned counsel represented the applicant. This is an application for renewal of regular permit in respect of stage carriage KL 04 P 4281 on the route Keerikkad Jetty - Adoor Central via Pullukulangara, Kayamkulam, Nooranad w.e.f. 13.07.2008 and for replacement of this vehicle by KL 17 D 9857.

1. The stage carriage KL 04 P 4281 was covered by a regular permit on the route Keerikkad Jetty - Adoor Central which was expired on 12.07.2008. The present application for renewal of regular permit was submitted on 24.05.2023 by Sri. Sathyapalan Unnithan. While considering this application, it was found that a regular permit was granted to Sri. Anil,

on the above defaulted vacancy of KL 04 P 4281. But later on 11.07.2018 the renewal of this permit was rejected by this authority due to overlappings on notified routes. A modified proposal based on Hon'ble STAT's order was again considered by this authority on 13.10.2021 and adjourned for detailed report and directed Sectary to issue temporary permit Under Section 87(1)(d) for the continuance of the vehicle. Then on 08.03.2023 it was rejected due to overlappings on Kayamkulam – Kulathupuzha partial exclusion scheme. Which restrict the operation of private operators on this route. This decision was in line with judgment of Hon'ble STAT in MVAA number 42/2021 and which was confirmed by Hon'ble High Court in its judgment WP(C) 19433 of 2021 dated 03/11/2021. This decision on this authority is also challenged before the Hon'ble STAT and as per the order of the Hon'ble Tribunal, Secretary is issuing 20 days temporary permits for continued operation of this vehicle.

In this situation the application of Sri Sathyapalan Unnithan for the renewal of regular permit and replacement is considered. The regular permit issued to the applicant was expired on 12.07.2008, that is more than 15 years ago. As per Section 81(2) of Motor Vehicles Act, a permit may be renewed on an application made not less than 15 days before the date of expiry. Here no such application is received in time. Hence the present application cannot be considered as an application for renewal of permit. More over the route from Kayamkulam to Adoor Central a distance of 29.2 kms overlaps the partial exclusion scheme of Kayamkulam - Kulathupuzha and Kayamkulam – Punalur. From Adoor High School Junction to Adoor Central a distance of 1.5km overlaps on Trivandram – Thekkady supplementary scheme, from ONK Jn to Kayamkulam a distance of 700 meters overlaps on Kollam - Alappuzha complete exclusion scheme. So no permit can be granted to private operators on the above routes in violation of notifications. In addition to this, an application after the expiry of 15 years cannot be considered as an application for renewal of permit in violation of Sec.81(2) of Motor Vehicles Act.

2. The second application is for replacement of stage carriage KL 04 P 4281 by KL 17 D 9857. This also considered and found that this cannot be allowed at one shot. Since as per the Hon'ble High Court of Kerala's Judgement in Usman vs Regional Transport Authority, Malappuram and another (2015 (4) KHC 779) only a holder of permit can apply for replacement of vehicle with another. Hence **rejected**.

This is the request of Secretary, RTA Alappuzha to take action against permit for carrying overload in respect of goods carriage bearing Reg. No KL 33 F 8979 having permit No. KL2022GP3389C valid up to 20.10.2027 as per the contempt case 1728/2021. Permit holder or authorized person not appeared for hearing before this authority. Hence **adjourned**.

Item No. 106

Ratified.

Item No. 107

This is a departmental item for ratifying the action taken by the Secretary under delegated powers. On 08.11.2022 the permit holder of stage carriage KL 30 5805 surrendered the regular permit of this vehicle and it was accepted under Rule 183 of Kerala Motor Vehicles Rules. This matter came before this authority for ratification. In the meeting the notice holder requested to grant renewal of the above permit and permission for replacement of the vehicle with another suitable vehicle.

This Authority considered all matters related to this vehicle. The issue before the Authority is to ratify the action taken by the Secretary and it is decided to ratify the action of the Secretary accepting the surrender of regular permit in respect of stage carriage KL 30 5805 on the route Parumala – Chengannur.

The request submitted by Sri. P.N. Mohanan for the renewal of permit and replacement of the vehicle was also considered and perused that the regular permit was surrendered by him on 08.11.2022 and the surrender was accepted on 10.11.2022. As per Kerala Motor Vehicles Rule 183 this permit deemed to have been cancelled with effect from the date of such surrender. Hence this permit is not in existence. So there is no question of renewal of a surrendered permit. Since no permit is in existence, there is no possibility for vehicle replacement. As per section 83 of Motor Vehicles Act only a holder of a permit can apply for vehicle replacement. Here the applicant is not a holder of

permit. So he has no locus standi to apply for vehicle replacement. Hence his requests are **rejected**.
