NOTES : To consider and initiate appropriate action on the **503 Routes** formulated based on the various proposals/suggestions/requests/petitions of the representatives of Legislative Assemblies, all Local Self Governments such as Corporation, Municipalities, Grama Panchayats, Block Panchayats, District Panchayats, students, NGOs,. KSRTC and other stakeholders. Verified and consolidated by secretaries of Regional Transport Authorities and forwarded to the State Transport Authority for placing and consideration. In order to achieve the goals mentioned in Motor Vehicle Act, Section 67(3), to make schemes for the transportation of passengers and issue licenses under such scheme for the promotion of development and efficiency in transportation —

- (a) Last mile connectivity;
- (b) Rural transport;
- (c) Reducing traffic congestion;
- (d) Improving urban transport;

- (e) Safety of road users;
- (f) Better utilisation of transportation assets;
- (g) The increase in the accessibility and mobility of people ;
- (h) The protection and enhancement of the environment;
- (i) The promotion of energy conservation;
- (j) Improvement of the quality of life;
- (k) Enhance integration and connectivity of the transportation system, across and between modes of transport.

The formulation of new routes for stage carriage buses in Kerala is the need of the hour. By active consideration of these suggestions, the issues of lack of public transport facility in rural area can be reduced considerably and thus ensures extensive last mile connectivity. This route formulation extends over **28146.17 km** of public transportation facility, including **617 km** of virgin routes

where bus services are being introduced for the first time. By improving public transport, Kerala can set an example of sustainable urban mobility and enhance the quality of life for its citizens.

Motor vehicles Act 1988 Section 68 (3) (ca) provides ample power to the state government to formulate routes for stage carriages.

CONDITIONS

1. Police Clearance Certificate for Registered Owner, Driver and Conductor.
2. Last 3 years of Income Tax returns for ascertaining financial stability of Registered Owner & Permit holder

whichever is applicable.

3. New Vehicle as per Bus Body Code AIS – 052 for Stage Carriage.
4. Installation of 3 cameras facing front, rear and inside of the Stage Carriage along with driver fatigue detection sensor camera.
5. Digital destination board on Front, Rear & Left.
6. Bus body colour as specified. Ivory yellow and pale blue . Hash Value of Ivory Yellow is HashFCEECD, RGB[252,238,205] and Pale Blue is HashAFEEEE, RGB[175,238,238].The design of the Bus Body Colour will be published along with Final Notification.
7. Installation of Global Positioning System.
8. Geo fencing facility with recorder
9. Multi mode collection of ticketing machine (QR code scanner, Swiping, Manual collection, UPI Payment.
10. Bus timing as per digital time schedule.
11. Provide drinking water facility.
12. The Permit fee for a Stage Carriage is Rs.5,500/-, with an additional service charge of Rs. 440/-, bringing the total to Rs.5,940/-. If multiple applications are received for a specified route, an online auction will be conducted. In this regard, necessary modifications will be made to the Vahan software.
13. For the time being, the number of stage carriages on each route formulated is restricted to two.

The Government of Kerala has the full discretion to modify the conditions prescribed above at any time.

List of 503 routes so verified by the department are appended as annexure 1.
